

The German Social Accident Insurance Institution for the administrative sector (VBG) hereby certifies the successful implementation of an Occupational Safety and Health Management System.

The company

OLKO-Maschinentechnik GmbH
Carl-Benz-Straße 4
59399 Olfen

meets the requirements of systematic and effective occupational safety, based on the specific branch implementation „**AMS-Arbeitsschutz mit System**” for the implementation of the National Guidelines in line with **ILO-OSH 2001**, Guidelines on occupational safety and health management systems (International Labour Organization).

The assessment also proved that the **DIN ISO 45001** standard is implemented.

The assessment on March 25, 2021 was carried out in accordance with the “DGUV procedural principles for the assessment of occupational safety and health management systems”.

The scope of this certificate includes all business locations of that company.

The certificate is valid until March 31, 2024.
